Brief Items of Interest to Home Folks About Their Friends And Acquaintances.

Mr Clide Hiner has gone to Bartow with his big road engine after a load of grain for the Monterey mill.

Mrs C S Peterson, of McDowell, spent a few hours in town last Saturday on her return from a short visit to Crabbottom.

Rev W S Trimble returned Wednesday from Presbytery.

The Highland fruit crop, which promises to be the most abundant for years, is now running the gamut of the cool weather. As yet, it is not believed that any of the apples are injured, and the trees are loaded with bloom.

Mr Robert Collins was here during court, and in a conversation referred to the fact that he had recently had removed from his horse's shoulder an ugly piece of wood, measuring five inches in length and about an inch thick. The splinter had been in the animal's flesh for two months or more.

The "horse-show" of Tuesday last one of which the county need not be ashamed. There were some fine horses on exhibition and their presence in Highland indicates gratifying interest along the line of raising the standard.

Dr. G. M. Burton, eye, ear, nose and throat specialist, of Lexington, Va., will be in Highland Co. about the middle of June to stop at the usual places, and will spend more time this summer than heretofore. Notice will be given later in the Recorder, naming dates, etc.

For the best 38-inch Taffeta Silk at \$1.00 in all colors, order from SHRECKHISE & BEAR, Staunton, Va.

We are in receipt of a letter this week from Mr W L C Benson, Los Angeles, Cal. He is one of Highland's old residents and a friend of its people. It was with regret that he learned of the death of Capt. Matheny with whom he soldiered together.

Mr. W. A. Cunningham has replaced an unsightly, dangerous platform in front of his premises with a new one. A good example to others, and timely work for the spring season.

Mr. Henry Crummett, of the Deerfield community, is now with his son, Mr. S. W. Crummett, at Hotel Monterey.

The absence of three familiar faces was noted by many of the court people at this term. They were Capt. Matheny, E. H. McClintic and C. H. Jordon, all of them present a year ago and taking part in the business of the term.

For Ladies Kid Gloves, Silk and Chamois Gloves, write to SHRECKHISE & BEAR, Staunton, Va.

The property of the late E. H. McClintic was sold, as advertised, at Dry Branch on Monday and at Monterey on Tuesday. As is usual at auction sales, some articles sold well, while others went at a sacrifice. The automobile—first ever sold on our streets—was purchased by Dr. Fox.

Richard Harper, the 2 year-old son of Mr and Mrs R S Stalston, of McDowell, died Wednesday morning, and the body was brought to Monterey Thursday for burial. Rev H M Roane accompanied a few of the relatives of the family, and read the burial service.

Mr Letcher Chew and three daughters, while in town Wednesday, were in to see the RECORDER plant.

At the meeting of Lexington Presbytery at New Providence, Rockbridge county, last week, Rev D H Ralston was dismissed at his request to accept the call of the Petersburg (Va.) Second church, going from Gladly, W Va.—The autumn meeting will be held at McDowell, Highland county.—Staunton Argus.

The house and lot recently vacated by Mr R S Ralston, known as the Gillett property and sold last Saturday by J W Colow as trustee, was purchased by Mr J W Bird. Mr Bird lost his Back-Creek house by fire last winter, and this purchase would indicate that he contemplates a residence in Monterey, and our people are pleased at the prospect.

Mr Cyrus Colow and Miss Bettie Calhoun, of upper Crabbottom, were in town Thursday.

Cullom Illinois

April 23, 1903

We are having some fine weather. Farmers are done sowing oats and plowing for corn.

Cullom is a little town of a thousand population, eighty-four miles southwest of Chicago; a business little town.

Mrs L J Hook, Mrs Lucy M. Armstrong, Little Opal and Mrs R. E. Armstrong, who left Highland county, for Cullom, Ill., landed here the 10th. After coming a distance of twelve hundred miles they were nearly worn out; but a few days rest on the black prairies of Illinois, they are feeling much better.

Fruit trees of all kind are in full bloom here and it looks like we would have good crop if not injured.

Farmers are wearing a bright smile—they sold their old corn for 59 cents and oats 49—higher than it has been for years. They are preparing for a big crop this season.

Mr R E Armstrong is working for Mr. Preston Malcom, near Kempton, Ill. I would like to hear from some of the Highland boys in other parts of Illinois.

Circuit Court

Court convened on Tuesday morning, Judge Anderson, who was absent on account of indisposition, secured the services of Judge H. W. Hoff, of the city of Staunton, who was present and presided during the term. The lack of familiarity with dockets and faces seemed to be no embarrassment, and Judge Hoff disposed of business with ease and dispatch, and made a favorable impression on the people.

The crowd in attendance on the first day was considered large, many coming in response to "invitations" sent out by the Sheriff.

The old grand jury, with the exception of two members, Messrs. Slaven and Bradshaw, who have recently been appointed to county offices, was re-convened and began work at the opening of the term.

It is said that more than 100 witnesses were summoned before the grand jury, and their work is not yet completed, the body being in session as we go to press. Up to this time, six or seven true bills have been returned. Those of Henry Baker, for arson and unlawful shooting, being disposed of. Baker pleaded guilty and was sentenced to the prison association, near Richmond, until he is 21 years of age.

The court proceedings, in detail, will be published in our next issue.

The visiting attorneys present are Messrs. B. H. Hiner, Franklin, J. W. Stephenson and H. H. Bird, of Warm Springs.

It is expected that court will adjourn late this (Thursday) afternoon.

Mrs. David Seiver.

Lexington, Illinois.—Tuesday afternoon at 2:30 o'clock, April 21st, at her home in Lexington, Illinois, occurred the funeral of Mrs David Seiver, Rev Woolley, of the M E church officiating. She was married to David Seiver at Harper's Ferry, Va., August 24, 1848. Their home was in Virginia until 1857, when they moved to Illinois, locating near Lexington.

Mr. Seiver died July 7, 1903.

Two daughters survive their mother, Mrs. Alvin Fulwiler, of Phoenix, Ariz, and May Seiver, of Lexington, Ill., and seven brothers and sisters; Mrs. Rachel Bishop, Lexington, Ill. N. W. Arbogast, Minier, Ill., Mrs. Martha Rush, of Georgia, William and Howard Arbogast and Mrs. Oey Wallace, of Missouri, and Harriet of Oregon.

She was converted in early life, and lived a consistent Christian life.

Meeting of Confederate Veterans.

At a meeting of Highland Camp of Confederate Veterans, No. 37, held in the Clerks office at Monterey, April 28, 1908, Dr. H. H. Jones explained the object of the meeting.

Dr H H Jones called up Hon. S. W. Sterrett to act as temporary chairman. O Wilson was nominated and against his earnest protest was unanimously elected Commander of the Camp to fill the vacancy caused by the death of the lamented Capt. J C Matheny.

On motion Comrade J Lunsford was unanimously elected Adjutant of the Camp. O Wilson having held that position since the organization of the Camp.

On motion, Dr H H Jones, J Lunsford and O Wilson were appointed a committee to prepare a memorial paper on the death of our late esteemed and beloved Commander, J C Matheny.

On motion of Comrade J W Bird it is the earnest desire of the Camp that a Camp of Sons of Confederate Veterans and a Chapter of Daughters of Confederate Veterans be organized in the county, and that all the sons and daughters of Confederate Veterans, whether rich or poor, be urged to join these organizations and thereby perpetuate the memory and patriotism and services of their fathers.

It was also urged that the Camp take measures toward becoming a member of the United Camp of Confederate Veterans. For this purpose the Commander is requested to correspond and get information as to how to organize Camps of Sons of C. V. and Daughters of C. V. and to become members of U. C. V.

The Commander appoints Comrade Peter Gum as Treasurer of the Camp, to whom all the members of the Camp will please send their annual dues of 10c per member, so that the Camp will always be entitled to representation at all of the meetings of the State and United Camp of Confederate Veterans.

It was understood and agreed that on the first day of every term of the Circuit Court of the County, there will be a meeting of the Camp at 1 p.m., and veterans are requested to attend said meetings.

O. WILSON, Commander.

J. LUNSFORD, Adjutant.

Henry McClintic, an uncle of L. M. and Withrow McClintic, died at his home in Texas last week. He was an ex-Confederate soldier and lost a leg in the defense of his state. He was a bachelor and had accumulated wealth.—Peachontas Times.

Mr McClintic will be remembered by many of our older citizens. He was a native of Bath county, and served in the Eleventh Va. Cavalry, along with some of our Highland soldiers. Some time before the close of the War he was elected lieutenant in General Rosser's Brigade, which place he filled with honor.

Your Child's Eyesight

Watch out for frowns, for squints, and when he reads or looks at a picture book does he hold it too near or far? These little things grow faster than the child and in many cases can be overcome if discovered in time.

You may save him a lifetime of strain and weak sight. Defects of vision never disappear of their own accord, and in most cases grow worse.

We don't charge for advising you.

Alcohol not needed

Ayer's Sarsaparilla is not a strong drink. As now made, there is not a drop of alcohol in it. It is a non-alcoholic tonic and alterative. Ask your own doctor about your taking this medicine for thin, impure blood. Follow his advice every time. He knows.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

Ask your doctor, "What is the first great rule of health?" Nine doctors out of ten will quickly reply, "Keep the bowels regular." Then ask him another question, "What do you think of Ayer's Pills for constipation?"

Government Supervision

of National Banks is every year becoming more rigid, the examination into every detail more careful. It is the purpose of the Government to make the word "National" in connection with a bank synonymous with "Safety."

In addition to the frequent and regular examinations of the books of The First National Bank of Highland at Monterey by National Bank Examiners, under the supervision of the Comptroller of the Currency, a similar examination will be made several times a year by a Committee of Directors. This
